If there's anything that you want,
If there's anything I can do,
Just call on me & I'll send it along with love from me to
You.

I've got everything that you want,
Like a heart that's oh so true,
Just call on me & I'll send it along,
With love from me to you.

I got arms that long to hold you,
And keep you by my side,
I lips that long to kiss you,
And keep you satisfied.

If there's anything that you want,
If there's anything I can do,

Just call on me & I'll send it along,
With love from me to you.

Just call on me & I'll send it along,
With love from me to you.

I got arms that long to hold you,
And keep you by my side,
I got lips that long to kiss you,
And keep you satisfied.

If there's anything that you want,
If there's anything I can do,
Just call on me & I'll send it along,
With love from me to you.
