C'mon now sing it now  
Sing it with me now  
Tell 'em brother Bobby  
I like to get up early in the morning about six a.m. to be  
exact (That's early)  
I have this chair I like to sit down in  
I got the good book to sit down and read  
Get my day started in the right way  
I got these two little boys, Taylor and Jevona too  
I call them in the morning  
I say, "Boys get up it's time for school"  
And they get on their clothes  
I pour the cereal out and the sugar too, yes indeed

And I call my baby  
"Baby" I say, "Debbie get up, get up  
It's time to get yourself together  
It's such a beautiful day outside"  
Simple pleasures are the best  
Yes they are  
I'm so happy  
I'm a happy man  
Yes I am  
Yes I am (Yes I am)  
I'm so happy  
Simple pleasures are the best  
Hell yeah  
I'm so happy  
I'm so happy  
Yes I am (Yes I am)  
Yes I'm so happy  
Simple pleasures are the best  
Simple pleasures are the best (Yes they are too)
