Well it's getting near dawn when lights close their tired  
eyes

I'll soon be with you my love to give you my dawn  
surprise

I'll be with you darling soon

I'll be with you when the stars start falling

I've been waiting so long to be where I'm going in the  
sunshine of your love

I'm with you my love

The light's shining through on you

Yes, I'm with you my love

It's the morning and just we two

I'll stay with you darling now

I'll stay with you till my seas are dried up

I've been waiting so long to be where I'm going in the  
sunshine of your love

I've been waiting so long to be where I'm going in the  
sunshine of your love
