

Fall Out Boy "Alphadog"

Visit "[Alphadog](#)" on MotoLyrics.com

Clap until you hands hurt,
Standing ovations or boos
Watch us until we blur,
Walk off into the sunset
Tell Rock'n'Roll
I'm alone again
I want to put the Midwest home again
Your time has passed
They say never means never
Solar Flare stares won't last

But never means forever,
Never means forever,
Never means forever,

Alphadog and oh, oh, Omegalomaniac
Alphadog and oh, oh, Omega Mega low
Welcome to the new dÃ©jÃ vu
I can almost see the wizard through the curtains
Alphadog and oh, oh, Omegalomaniac

We must have the best coats,
Tell the best jokes,
We must make it hard
To look so easy
Doing something so hard
You must see my wink
They squint when they look at me
I'm a (I'm a) star
I'm a (I'm a) star
I'm a star
Oh I'm a star

Alphadog and oh, oh, Omegalomaniac
Alphadog and oh, oh, Omega Mega low
Welcome to the new dÃ©jÃ vu
I can almost see the wizard through the curtains
Alphadog and oh, oh, Omegalomaniac

You're not the first, or the last
But you're possibly the prettiest, whoa
He's a fighter,

Past his his prime,
He's in the gutter waving his hand
"I'm just fine"

You're not the first, or the last
But you're possibly the prettiest, whoa
He's a fighter,
Past his prime,
He's in the gutter waving his hand
"I'm just fine,"

Alphadog and oh, oh, Omegalomaniac
Alphadog and oh, oh, Omega Mega low
Welcome to the new dÃ©jÃ vu
I can almost see the wizard through the curtains
Alphadog and oh, oh, Omegalomaniac
