You could've knocked me out with a feather
I know you've heard this all before but we're just hell's
neighbors
Oh oh oh oh, why why why won't the world revolve
around me
Build my dreams please grow a all over the streets

But I don't know much about classic cars (cars)
But I got a lot of friends stuck on classic coke (coke)
Down, set, hut, hut, hut, hike, media blitz

Let's hear it for America's Sweethearts
But I must confess I'm in love with my own sins
Let's hear it for America's Sweethearts
But I must confess I'm in love with my own sins

You can bow and pretend
That you don't don't know you're a legend
Oh oh oh, time time time hasn't told anyone else yet
Let my love loose again

But I don't know much about classic cars (cars)
But I got a lot of friends stuck on classic coke (coke)

Down, set, hut, hut, hut, hike, media blitz

Let's hear it for America's Sweethearts
But I must confess I'm in love with my own sins
Let's hear it for America's Sweethearts
But I must confess I'm in love with my own sins

You could've knocked me out with a feather
I know you've heard this all before

Let's hear it for America's Sweethearts
But I must confess I'm in love with my own sins
Let's hear it for America's Sweethearts
But I must confess I'm in love with my own sins

Let's hear it for, let's hear it
Let's hear it for, let's
Sweethearts
