

Fall Out Boy "Believers Never Die"

Visit "[Believers Never Die](#)" on MotoLyrics.com

Clap until you hands hurt,
standing ovations or boo-boo-boos
Wa-watch us until we blur,
Walk off into the sunset
Tell Rock'n'Roll
I'm alone again
I want to pick the mid west home again
Your time has passed
They say never means never
So the fast dance won't last

Clap until you hands hurt,
Standing ovations or boo-boo-boos
Wa-watch us until we blur
Walk off into the sunset
Tell Rock'n'Roll
I'm alone again
I want to pick the mid west home again

Your time has passed
They say never means never
So the fast dance won't last,
But never means forever
Never means forever

ALPHAdog and oh, OMEGAlomaniac
Eh, eh, eh-eh, eh, eh
ALPHAdog and oh OMEGA-MEGA-lo
Welcome to the new administration
I can almost see the wizard through the curtains
ALPHAdog and oh, OMEGAlomaniac

Eh, eh,
Eh-eh eh eh
