White Sands, Swollen Glands, Paris, Tokyo, N-N-New  
York, M-M-M-Mexico  
Stay plastic woo ooh  
Stay tragic woo ooh

Proclamation of emancipation  
Oh dear lord, please let me into heaven for just an  
afternoon.

I know, seen the end  
I can't go to sleep without ambien  
Seem so happy call me mister goodbye  
Say catch me if you can, catch me if you can

I know, seen the end  
I can't go to sleep without ambien  
Seem so happy call me mister goodbye  
Say catch me if you can, catch me if you can

Lets talk about the scene for a minute, Yes.  
I know we ain't been seen in a minute, No.  
We left it for a minute now we all up in it  
Baby boy if you've got them big dreams go and get it,  
Never been the type with tight jeans, I wont fit it

When I see those scene girls, bet they all gonna get it  
And I'm living clean  
Now a lot of ya'll won't get it  
Now it's mean but I don't give a damn if ya'll don't get it  
So fresh and so clean in my Eugene Fitted  
While I'm laughing at the bank, you're all crying at the  
clinic  
I read a couple blogs and they had my ass livid  
But now I've got my own, and the world gotta live with it  
Never played basketball, but I could show you how to  
pivot  
Make your moves in that black hatch back Honda Civic  
Like I did in high school, wishin' I could relive it  
But I can't so let's go on, give the hook a revisit

I know, seen the end  
I can't go to sleep without ambien  
Seem so happy call me mister goodbye  
Say catch me if you can, catch me if you can

I know, seen the end  
I can't go to sleep without ambien  
Seem so happy call me mister goodbye  
Say catch me if you can, catch me if you can
