### "Catch Me If You Can / Proclamation Of Emaciation"

Lights and swollen glands  
Paris, Tokyo, New New New York, M-M-M-M-Mexico  
Get plastic (woah oh)  
Stay tragic (woah oh)

Proclamation of emancipation oh dear Lord,  
please let me into heaven, for just an afternoon.

No, Sam I am,  
I can't go to sleep without an ambien  
Seen so high they call me mister goodbye  
Saying catch me if you can (catch), catch me if you can.

No, Sam I am,  
I can't go to sleep without an ambien  
Seen so high they call me mister goodbye  
Saying catch me if you can (catch), catch me if you can.

Let's talk about the scene for a minute  
I know we ain't been seen in a minute  
We left before a minute now we all up in it  
Baby boy if you got the big dreams go and get it  
Never been the type in tight jeans i won't fit in  
When I see them scene girls that they all gonna get in  
And I'm living clean now while y'all walk in it  
No it's me but I don't give a damn if you all don't get it  
So fresh and so clean in my Eugene fitted  
While I'm laughing at the baby, y'all crying at the clinic  
I read a couple blogs and they had my ass livid  
But now I got my own, the world gotta live with it  
Never played basketball, but I could show you how to  
pivot  
Making moves in that black hatchback Honda Civic  
Like I did in highschool, wish that I could relive it  
But I can't so let's go on and get the hook a revisit.

No, Sam I am,  
I can't go to sleep without an ambien

Seen so high they call me mister goodbye  
Saying catch me if you can (catch), catch me if you can

No, Sam I am,  
I can't go to sleep without an ambien  
Seen so high they call me mister goodbye  
Saying catch me if you can (catch), catch me if you can  
(catch)
