A penny for your thoughts
But a dollar for your insides
Or a fortune for your disaster
I'm just a painter and I'm drawing a blank

We only want to sing you to sleep
In your bedroom speakers oh oh
We need umbrellas on the inside
Get me just right

They say
Quitters never win
We walk the plank on a sinking ship
There's a world outside of my front door
That gets off on being down

I could learn to pity
Fools as I'm the worst of all
And I can't stop
Feeling sorry for myself

We only want to sing you to sleep
In your bedroom speakers oh oh
We need umbrellas on the inside
Get us right

They say
Quitters never win
And we walk the plank on a sinking ship
There's a world outside of my front door
That gets off on being down

They say
Quitters never win
And we walk the plank on a sinking ship
There's a world outside of my front door
That gets off on being down

We only want to sing you to sleep
(In your bedroom speakers oh oh)
We only want to sing you to sleep
(In your bedroom speakers oh oh)

They say
Quitters never win
And we walk the plank on a sinking ship
There's a world outside of my front door
That gets off on being down

They say
Quitters never win
And we walk the plank, we walk the plank
There's a world outside of my front door
That gets off on being down

Broken down on Memory Lane
Alone together we're alone
Broken down on Memory Lane
Alone together we're alone
