Where is your boy tonight? I hope he is a gentleman.
Maybe he won't find out what I know:
you were the last good thing about this part of town.
When I wake up,
I'm willing to take my chances on the hope you hate
him more than you notice I wrote this for you.
You need him. I could be him...
I could be an accident but I'm still trying.
That's more than I can say for him.
Where is your boy tonight? I hope he is a gentleman.
Maybe he won't find out what I know:
you were the last good thing about this part of town.
Someday I'll appreciate in value, get off my ass and
call you...
but for the meantime I'll sport my brand new fashion of
waking up
with pants on at 4:00 in the afternoon.
You need him. I could be him...
I could be an accident but I'm still trying.
That's more than I can say for him.
Where is your boy tonight? I hope he is a gentleman.
Maybe he won't find out what I know:
you were the last good thing about this part of town.
Where is your boy tonight? I hope he is a gentleman.
Maybe he won't find out what I know:
you were the last good thing about this part of town.
Where is your boy tonight? I hope he is a gentleman.
Maybe he won't find out what I know:
you were the last good thing about this part of town.
