Where is your boy tonight?
I hope he is a gentleman
And maybe he won't find out what I know
You were the last good thing about this part of town

When I wake up
I'm willing to take my chances on
The hope I forget that you hate him more than you
notice
I wrote this for you, for you, so

You need him
I could be him
I could be an accident but I'm still tryin'
And that's more than I can say for him

Where is your boy tonight?
I hope he is a gentleman
And maybe he won't find out what I know
You were the last good thing about this part of town

Someday I'll appreciate in value
Get off my ass and call you
In the mean time I'll sport my brand new fashion
Of waking up with pants on at four in the afternoon

D'you need him
I could be him
I could be an accident but I'm still tryin'
And that's more than I can say for him

One, two, three, four

Where is your boy tonight?
I hope he is a gentleman
And maybe he won't find out what I know
You were the last good thing about this part of town

Won't find out
He won't find out
Won't find out
He won't find out

Where is your boy tonight?
I hope he is a gentleman
Maybe he won't find out what I know
You were the last good thing about this part of town

Where is your boy tonight?
I hope he is a gentleman
Maybe he won't find out what I know
You were the last good thing about this part of town
