Mr.Sandman showing his beam when he walks into the  
room, the walls lean in to listen  
Surf out blank waves, clicking back and forth like old  
headlights, sniffing bottled you again.  
Head like a steel trap, wish I didn't, I didn't, I didn't, I  
didn't, I didn't, I didn't, I didn't, I don't...  
Just want to be a footnote in someone else's happiness.

Does your husband know the way that the sunshine  
gleams from your wedding band?  
Does he know the way, does he know the way of the  
crickets that would convince me to call it a night?

I will never end up like him  
Behind my back, I already am.  
Keep a calendar, this way you will always know.

The last time you came through,  
Oh darling, I know what you're going through.  
The last time you came through,  
Oh darling, oh darling, oh darling...

Tempest in a teacup,  
Get unique.  
Peroxide Princess shine like shark teeth  
It's a sign, (it's a sign)  
It's a sign, (it's a sign)  
It's a sign, what if you peaked early.

Does your husband know the way that the sunshine  
gleams from your wedding band?  
Does he know the way, does he know the way of the  
crickets that would convince me to call it a night?

Does he, does he know the way I worship our love?  
Does your husband know the way that the sunshine  
gleams from your wedding band?

Well, I will never end up like him.  
Behind my back, I already am.  
Keep a calendar, this way you will always know.

Last time you came through,  
Oh darling, I know what you're going through.  
Last time you came through,  
Oh darling, oh darling, oh darling...

Does your husband know? Does your husband know?  
Does your husband know? Oh oh oh, whoa-oh...  
Does he know? Does he know, does he know? Whoa-ah-  
ah-ah-ah, oh oh, oh

I will never end up like him.  
Behind my back I already am.  
Keep a calendar, this way you will always know.

Oh, the last time you came through,  
Oh darling, I know what you're going through.  
The last time you came through,  
Oh, darling I know what you're going through.
