I found the cure to growing older  
And you're the only place that feels like home  
Just so you know, you'll never know  
And some secrets weren't meant to be told  
But I found the cure to growing older

I'm the first kid to write of hearts, lies and friends  
And I am sorry my conscience called in sick again  
And I've got arrogance down to a science  
Oh, and I'm the first kid to write of hearts, lies and  
friends now

Douse yourself in cheap perfume it's  
So fitting, so fitting of the way you are  
Can't cover it up, can't cover it up

So douse yourself in cheap perfume it's  
So, so fitting, so fitting of the way you are  
Can't cover it up, can't cover it up, no

Find a safe place, brace yourself, bite your lips  
I'm sending your fingernails and empty bottles you've  
sipped  
Back to your family 'cause I know you will be missed  
So you can find a safe place, brace yourself

They call kids like us vicious and carved out of stone  
But for what we've become, we just feel more alone  
Always weigh what I've got against what I left  
So progress report, I am missing you to death

Douse yourself in cheap perfume it's  
So fitting, so fitting of the way you are  
Can't cover it up, can't cover it up

So douse yourself in cheap perfume it's  
So, so fitting, so fitting of the way you are  
Can't cover it up, can't cover it up, no

Someone old, no one new  
Feeling borrowed always blue  
Someone old, no one new

Feeling borrowed always blue

Someone old, no one new  
Feeling borrowed always blue  
Someone old, no one new  
Always borrowed, always you

I've found the cure to growing older  
I've found the cure to growing older

So douse yourself in cheap perfume it's  
So fitting, so fitting of the way you are  
Can't cover it up, can't cover it up

So douse yourself in cheap perfume it's  
So fitting, so fitting of the way you are  
Can't cover it up, can't cover it up
