Last year's wishes  
Are this year's apologies  
Every last time I come home  
I take my last chance  
To burn a bridge or two  
I only keep myself this sick in the head  
Cause I know how the words get you

We're the new face of failure  
Prettier and younger but not any better off  
Bulletproof and loneliness  
At best, at best

Me and you  
Sitting in a honeymoon  
If I woke up next to you  
If I woke up next to you  
Me and you  
Sitting in a honeymoon  
If I woke up next to you  
If I woke up next to you

Collect the bad habits  
That you couldn't bare to keep  
Out of the woods but I love  
A tree I used to lay beneath  
Kissed, tear-stained and vain  
From a sour bottle baby girl  
With eyes the size of baby worlds

We're the new face of failure  
Prettier and younger but not any better off  
Bulletproof and loneliness  
At best, at best

Me and you  
Sitting in a honeymoon  
If I woke up next to you  
If I woke up next to you

Me and you  
Sitting in a honeymoon  
If I woke up next to you  
If I woke up next to you  
Me and you  
Sitting in a honeymoon  
If I woke up next to you  
If I woke up next to you  
Me and you  
Sitting in a honeymoon  
If I woke up next to you  
If I woke up next to you

The best way  
To make it through  
With hearts and wrists in tact  
Is to realize  
Two outta three ain't bad  
Ain't bad

Me and you  
Sitting in a honeymoon  
If I woke up next to you  
If I woke up next to you  
Me and you  
(Honeymoon)  
Sitting in a honeymoon  
(In a honeymoon)  
Me and you  
Sitting in a honeymoon  
If I woke up next to you  
If I woke up next to you  
Me and you  
Sitting in a honeymoon  
If I woke up next to you  
If I woke up next to you
