Sometimes when I'm in heaven  
I get forgetful of the earth  
Woah  
Until I hear you bickering  
Like boys and birds  
The heat is on  
Ain't stopping us, shades down

I got a pocket full of deadliness  
Opium den mother, forget my head  
At the deadend of unsteadiness  
Boxed blondes have less fun

Boomerang my head  
Back to the city i grew up in  
Again and again and again and again  
Forever I'm a lake effect kid

I've got the skyline in my veins  
Forget you night times  
Summer love on a gurney with the squeaky wheel

And Joke us, Joke us  
'Till Lakeview Drive comes back into focus  
I just want to come back to life  
Spark, oh, can't you hear it  
Keep you warm at night

I got a pocket full of deadliness  
Opium den mother, forget my head  
At the deadend of unsteadiness  
Boxed blondes have less fun  
Fun

Boomerang my head  
Back to the city i grew up in  
Again and again  
Forever I'm a lake effect kid

Boomerang my head  
To the city i grew up in  
Again and again and again

Forever I'm a lake effect kid

Boomerang my head  
Back to the city i grew up in  
Again and again  
Forever I'm a lake effect kid

Boomerang my head  
Back to the city i grew up in  
Again and again and again  
Forever I'm a lake effect kid
