(chorus)

where is your boy tonight,
i hope, he is a gentlemen
maybe he wont find out what i know
you were the last good thing about this part of town

when i wake up
im willing to take my chances on
who buy the gift that you hate
in more than you know is
i wrote this for you
(for you girl)

you need him
i should be him
i could be your answer but im still tryin
thats more than i can say for him

(chorus)

where is your boy tonight,
i hope, he is a gentlemen
maybe he wont find out what i know
you were the last good thing about this part of town

something i would read to you and value
get on my hands and call you
the meantime will sport my
when you facisis
when waking up with pants off
at 4 in the afternoon

you need him
i should be him
i could be your answer but im still tryin
thats more than i can say for him

1, 2, 3, 4!

(chorus)

where is your boy tonight,
i hope, he is a gentlemen

maybe he wont find out what i know
you were the last good thing about this part of town

(where follow.....)
what he would find out...
(where follow.....)
what he would find out...

(chorus)
where is your boy tonight,
i hope, he is a gentlemen
maybe he wont find out what i know
you were the last good thing about this part of town

(chorus)
where is your boy tonight,
i hope, he is a gentlemen (find out....)
maybe he wont find out what i know
you were the last good thing about this part of town
