Last night I saw a movie  
And I thought about many movies I've seen at your  
house  
Excuse me if I'm rude  
But I'd rather that we just strike from the record ones  
I'd see again without you  
Leaning on my shoulder  
Distracting me from the plotline

Where can I go when I want you  
But I can't stand to be around you  
"go home"  
Ill walk myself to you  
Ill walk myself away from here

"go to hell" is all I thought for seven weeks  
But I grew out of that phase looking at these broken  
photographs of people  
Looking glossed just like i remember a summer ago

Where can I go when I want you around  
But I can't stand to be around you  
"go home"  
Ill walk myself to you  
Ill walk myself away from here

"call me back" I'm pleading with a cork in my head  
It wouldn't be the first time  
My pillow has been mistaken

Where can I go when I want you around  
But I can't stand to be around you  
"go home"  
Ill walk myself to you  
Ill walk myself away from here

Cant stand to be around you  
Around you, around you  
Cant stand to be around you  
Cant stand, I can't stand  
To be around you  
Around you

Around you  
Around you  
Around you...
