Be careful making wishes in the dark (dark)  
Can't be sure when they've hit their mark (mark)  
And besides in the mean-meantime  
I'm just dreaming of tearing you apart

I'm in the de-details with the devil  
So now the world can never get me on my level  
I just got to get you out of the cage  
I'm a young lovers rage  
Gonna need a spark to ignite  
My songs know what you did in the dark

So light em up, light em up, light em up  
I'm on fire  
So light em up, light em up, light em up  
I'm on fire

In the dark (dark)  
In the dark (dark)

Writers keep writing what they write  
Somewhere another pretty vein just died  
I've got the scars from tomorrow and I wish you could  
see  
That you're the antidote to everything except for me

A constellation of tears on your lashes  
Burn everything you love, then burn the ashes  
In the end everything collides  
My childhood spat back out the monster that you see  
My songs know what you did in the dark

So light em up, light em up, light em up  
I'm on fire  
So light em up, light em up, light em up  
I'm on fire

In the dark (dark)  
In the dark (dark)

My songs know what you did in the dark

(My songs know what you did in the dark)

So light em up, light em up, light em up  
I'm on fire  
So light em up, light em up, light em up  
I'm on fire

In the dark (dark)  
In the dark (dark)
