Drink down that Gin and Kerosene  
And come spit on bridges with me  
Just to keep us warm  
Light a match and leave me be  
Light a match and leave me be

I keep my jealousy close  
Cause it's all mine  
And if you say this makes you happy  
Then I'm not the only one lying

Keep Quiet  
Nothing comes as easy as you  
Can I lay in your bed all day?  
I'll be your best kept secret  
And your biggest mistake  
The hand behind this pen relieves a failure everyday

Keep Quiet  
Nothing comes as easy as you  
Can I lay in your bed all day?  
I'll be your best kept secret  
And your biggest mistake  
The hand behind this pen relieves a failure everyday

And I keep my jealousy close  
Cause it's all mine  
And if you say this makes you happy  
Then I'm not the only one lying

Drink down that Gin and Kerosene  
And come spit on bridges with me  
Just to keep us warm  
Light a match and leave me be  
Light a match and leave me be

Keep Quiet  
Nothing comes as easy as you  
Can I lay in your bed all day?  
I'll be your best kept secret  
And your biggest mistake  
The hand behind this pen relieves a failure everyday

Keep Quiet  
Nothing comes as easy as you  
Can I lay in your bed all day?  
I'll be your best kept secret  
And your biggest mistake  
The hand behind this pen relieves a failure everyday

So where me like a locket  
Around your throat  
I'll weigh you down  
I'll watch you choke  
You look so good in blue  
You look so good in blue

So where me like a locket  
Around your throat  
I'll weigh you down  
I'll watch you choke  
You look so good in blue  
You look so good in blue

Keep Quiet  
Nothing comes as easy as you  
Can I lay in your bed all day?  
I'll be your best kept secret  
And your biggest mistake  
The hand behind this pen relieves a failure everyday
