

Fall Out Boy "One And Only"

Visit "[One And Only](#)" on MotoLyrics.com

I'm head over heels for someone, I
that I really cant' deal with
I wanna block her from my mind
but I really can't do it
I tell myself this the last time
Ima let her do this to me
Whenever we do spend time I realize
that I can't get enough of you

Wipe that smile off your f**king face,
(then I say to you)
Wipe that smile off your face
(then I say to you)
Wipe that smile off your f**king face,
(then I say to you)
Wipe that smile off your face

To be despised, to be loved
To be dreamt of, to be sought
To be inside, I don't care
Right in the middle,
I'm right in the middle
To be despised, to be loved
To be dreamt of, to be sought
To be inside I don't care
Be my unholy, my one and my lonely

I wear scarves and hoods cause it's the only poker face
that I've got left
And everything I love about you is a mess
Smash the mirror and break the palm reader's hands
I want to be better than I am

Wipe that smile off your f**king face,
(then I say to you)
Wipe that smile off your face
(then I say to you)
Wipe that smile off your f**king face,
(then I say to you)
Wipe that smile off your face

To be despised, to be loved

To be dreamt of, to be sought
To be inside of I don't care
Right in the middle,
I'm right in the middle
To be despised, to be loved
To be dreamt of, to be sought
To be inside, I don't care
Be my unholy, my one and my lonely

Girl just look what you done,
How could you do this to me?
I gotta put my foot down,
I can't let you do this to me.
I can't forget those good old times,
and all those things you were doing to me.
I wanna hit that one more time,
I'm in love with what you're doin to me.
Ima say it loud
right now lets f**k in this crowd
Why we arguin'?
I thought me and you were suposta be friends.
Let's chill for a minute,
Better yet, we needta heal for a minute
Baby, put down the knife,
sometimes I wanna save your life

To be despised, to be loved
To be dreamt of, to be sought
To be inside I don't care
Right in the middle,
I'm right in the middle
To be despised, to be loved
To be dreamt of, to be sought
To be inside I don't care
Be my unholy, my one and my lonely
