Brothers and sister put this record down.
Take my advice,
cuz we are bad news.
We will leave you high and dry.
It's not worth the hearing you'll lose.

It's just past eight
and I'm feeling young and reckless.
The ribbon on my wrist says
"do not open before Christmas."

Only liars, but we're the best.
Only good for the latest trends.
Only good 'cause you can have almost famous friends.
Besides, we've got such good fashion sense.

Brothers and sisters, yeah, put these words down.
Into your notebooks,
spit lines like these:
"We're friends when you're on your knees."

Make them dance like we were shooting their feet.

It's just past eight,
and I'm feeling young and reckless.
The ribbon on my wrist says
"do not open before Christmas."

Only liars, but we're the best.
Only good for the latest trends.
Only good 'cause you can have almost famous friends.
Besides, we've got such good fashion sense.

Only liars, but we're the best.
Only good for the latest trends.

Only liars, but we're the best.
Only good for the latest trends.
Only good 'cause you can have almost famous friends.
Besides, we've got such good fashion sense.
