"The Pros And Cons Of Breathing"

Bury me standing under your window with the cinder
block in hand
Yeah cause no one will ever feel like this again
And if I could move I'm sure it would only be to crawl
back to you
I must have dragged my guts a block... they were gone
by the time we {talked}...

[Chorus: x2]

Whoa, I want to hate you half as much as I hate myself
{But} you know that I could crush you with my voice

Stood on my roof and tried to see you forgetting about
me
Hide the details I don't want to know a thing

I hate the way you say my name like it's something
secret
My pen is the barrel of the gun.

Remind me which side you should be on

[Chorus x2]

Stood on my roof and tried to see you forgetting about
me
Hide the details I don't want to know a thing

I wish that I was as invisible as you make me feel [x2]

(Whoa, I want to hate you half as much as I hate my)
[x2]
(1..2..3..4..)

[Chorus x2]
