Fall Out Boy
"Save Rock And Roll"

Until your breathing stops, stops
Until your breathing stops, stops, stops
Your-your-your-your, forever

I need more dreams
And less life
And I need that dark
In a little more light
I cried tears you'll never see
So fuck you, you can go cry me an ocean
And leave me be

You are what you love
Not who loves you
In a world full of the word yes
I'm here to scream

No, no
Wherever I go, go
Trouble seems to follow
Only plugged in to save rock and roll

No, no
Wherever I go, go
Trouble seems to follow
Only plugged in to save rock and roll

Until your breathing stops, stops
Until your breathing stops, stops, stops
Your-your-your-your, forever

Blood brothers in desperation
An oath of silence
For the voice of our generation

Woah
How'd it get to be only me?
Like I'm the last damn kid still kicking
That still believes

I will defend the faith

Going down swinging
I will save the songs
The songs we can't stop singing

No, no
Wherever I go, go
Trouble seems to follow
Only plugged in to save rock and roll

No, no
Wherever I go, go
Trouble seems to follow
Only plugged in to save rock and roll

Oh no, we won't go
Oh no, we won't go
We don't know when to quit, no, no

Oh no, we won't go
Oh no, we won't go
We don't know when to quit, no, no

You are what you love
Not who loves you
In a world full of the word yes
I'm here to scream

No, no
Wherever I go, go
Trouble seems to follow
Only plugged in to save rock and roll

No, no
Wherever I go, go
Trouble seems to follow
Only plugged in to save rock and roll

Oh no, we won't go
Oh no, we won't go
We don't know when to quit, no, no

Oh no, we won't go
Oh no, we won't go
We don't know when to quit, no, no

Oh no, we won't go
Oh no, we won't go
We don't know when to quit, no, no
