Well maybe we could talk this over
But I swear to god
And I'll have this phone to my head

Fall asleep
Phone in hand
God bless god bless star 67
Fall asleep
Phone in hand
God bless god bless star 67
Fall asleep
Phone in hand
God bless god bless star 67
Fall asleep

Phone in hand
God bless god bless star 67
Fall asleep
Phone in hand
God bless god bless star 67
Fall asleep
Phone in hand
God bless god bless star 67
