I'm gonna make you bend and break
(It sent you to me without wings)
Say your prayer, but let the good times roll
In case God doesn't show
(Let the good times roll, let the good times roll)
And I want these words to make things right
But it's the wrongs that make the words come to life
Who does he think he is?
If that's the worst you've got, better put your fingers
back to the keys

One night and one more time
Thanks for the memories
Even though they weren't so great
He tastes like you only sweeter

One night yeah and one more time
Thanks for the memories
Thanks for the memories
See he tastes like you only sweeter

Been looking forward to the future
But my eyesight is going bad
In this crystal ball
It's always cloudy except for (except for)
When you look into the past (look into the past)
One night stand. (One night stand, off!)

One night and one more time
Thanks for the memories
Even though they weren't so great
He tastes like you only sweeter

One night yeah one more time
Thanks for the memories
Thanks for the memories
See, he tastes like you only sweeter

(They say) I only think in the form of crunching
numbers
In hotel rooms, collecting page-six lovers

Get me out of my mind
Get you out of those clothes
I'm a line away
From getting you into the mood

One night and one more time
Thanks for the memories
Even though they weren't so great
He tastes like you only sweeter

One night yeah one more time
Thanks for the memories
Thanks for the memories
See, he tastes like you only sweeter

One night and one more time (one more night, one
more time)
Thanks for the memories
Even though they weren't so great (even though they
weren't so great)
He tastes like you only sweeter

One night yeah one more time (one more night, one
more time)
Thanks for the memories (for the memories)
Thanks for the memories (for the memories)
See, he tastes like you only sweeter
