Paper bags & plastic hearts  
All are belongings in shopping carts  
It's goodbye,  
But we got one more night  
Let's get drunk and drive around  
& make peace with an empty town  
We can make it right

Throw it away  
Forget yesterday  
We'll make the great escape  
We won't hear a word they say  
They don't know us anyway  
Watch it burn  
Let it die  
Cause we are finally free tonight

Tonight will change our lives  
It's so good to be by your side  
But we'll cry  
We won't give up the fight  
We'll scream loud at the top of our lungs  
& they'll think it's just cause we're young  
& we'll feel so alive

Throw it away  
Forget yesterday  
We'll make the great escape  
We won't hear a word they say  
They don't know us anyway

Watch it burn

Let it die  
Cause we are finally free tonight

All of the wasted time  
The hours that were left behind  
The answers that we'll never find  
They don't mean a thing tonight

Throw it away

Forget yesterday  
We'll make the great escape  
We won't hear a word they say  
They don't know us anyway

Throw it away  
Forget yesterday  
We'll make the great escape  
We won't hear a word they say  
They don't know us anyway

Throw it away  
Forget yesterday  
We'll make the great escape  
We won't hear a word they say  
They don't know us anyway  
Watch it burn  
Let it die  
Cause we are finally free tonight
