This might just be a waste of time
But there's no one I'd rather waste my time with than all
of my best friends
So start the car up, we'll all take turns but not for the
worst
We're all "has-beens" and "never-were's"
And we're all in the back singing "Roxanne" just
watching life pass us by
Pass us by
As if we cared enough to try and catch up
Enough to make up for lost time
We've been down, we've been out, we've been hanging
'round
Tip our glasses to having no direction
Start the van, get me out of this one horse town, waste
this night
