This might just be a waste of time  
But there's no one i'd rather waste my time with than all  
of my best friends  
So start the car up, we'll all take turns but not for the  
worst  
We're all "hasbeens" and "never-were's"  
And we're all in the back singing "Roxanne" just  
watching life pass us by  
Pass us by  
As if we cared, enough to try and catch up  
Enough to make up for lost time  
We've been down, e've been out, we've been hanging  
'round  
Tip our glasses to having no direction  
Start the van, get me out of this one horse town, waste  
this night
