You're a canary
I'm a coal mine
Cause sorrow is just all the rage
Take one for the team
You all know what I mean

And I'm so sorry, but not really
Tell the boys were to find my body
New York eyes, Chicago thighs
Pushed up the window
To kiss you off

The truth hurts worse
Than anything I could bring myself to do to you
The truth hurts worse,
Than anything I could bring myself to do to you

Do you remember the way
I held your hand
Under the lamp post and ran?
Whoa, this way, so many times
I could close my eyes

The truth hurts worse
Than anything I could bring myself to do to you
The truth hurts worse
Than anything I could bring myself to do, to you

Ba,ba,ba,ba,ba,ba,ba-ahdaba
Ba,ba,ba,ba,ba,ba,ba-ahdabadum

The truth hurts worse
Than anything I could bring myself to do to you

The truth hurts worse
Than anything I could bring myself to do to you

The truth
The truth

Ah, ah, ahahah
