I'm a young one stuck in the thoughts of a old one's
head
When all the others were just stirring awake I'm trying
to trick myself to fall asleep again

My head's in heaven, my soles are in hell
Let's meet in the purgatory of my hips and get well

Hurry
Hurry
You put my head in such a flurry
Flurry
Freckle freckle what makes you so special?
What makes you so special?
I'm gonna leave you
Oh I'm gonna teach you
How we're all alone
How we're all alone

Guild me build me
It's your club so let me in
I want to know the glory or how boring it is
Inside your skin

My head's in heaven, my soles are in hell
Let's meet in the purgatory of my hips and get well

Hurry
Hurry
You put my head in such a flurry
Flurry
Freckle freckle what makes you so special?
What makes you so special?
I'm gonna leave you
Oh I'm gonna teach you
How we're all alone
How we're all alone

How we're all alone

Hurry
Hurry

You put my head in such a flurry
Flurry
Freckle freckle what makes you so special?
What makes you so special?
I'm gonna leave you
Oh I'm gonna teach you
How we're all alone
How we're all alone
HMMMMMMMM...mama
You don't take me places
We won't sleep for days
We won't sleep for days

Mama...we pray to the Lord
Doesn't sleep or stay
Doesn't sleep or stay

We waste it all in the back of a long dark car
And Iâ€™m sunshine machine

I want to get stuck
I want to get stuck
In Â...Â.... in your memories
