And you lock the house to keep your secret from  
coming out  
I wont, No. I'm sorry because you're old news

And my life is holding our heads to this gun  
You and your new boy think you can come in and keep  
me off, but you're wrong

I find myself on the street out in front of your house,  
you can kiss safe thoughts goodbye.  
I'm coming up to break your heart.  
You're sleeping with the light on like you're dying to be  
found out.

And you lock the house to keep your secret from  
coming out  
I wont, No. I'm sorry because you're old news

And my life is holding our heads to this gun  
You and your new boy think you can come in and keep  
me off, but you're wrong

I find myself on the street out in front of your house,  
you can kiss safe thoughts goodbye.  
I'm coming up to break your heart.  
You're sleeping with the light on like you're dying to be  
found out.

I find myself on the street out in front of your house,  
you can kiss safe thoughts goodbye.  
I'm coming up to break your heart.  
You're sleeping with the light on like you're dying to be  
found out.

(And you lock the house)  
And you lock the house  
oh,oh,oh,oh,oh  
And you lock the house  
And you lock the house  
oh,oh,oh,oh,oh,oh
