Where is your boy tonight? I hope he is a gentleman.
Maybe he won't find out what I know: you were the last
good thing about this part of town.

When I wake up, I'm willing to take my chances on the
hope I forget
that you hate him more than you notice I wrote this for
you.

You need him. I could be him...
I could be an accident but I'm still trying.
That's more than I can say for him.

Where is your boy tonight? I hope he is a gentleman.
Maybe he won't find out what I know: you were the last
good thing about this part of town.

Someday I'll appreciate in value, get off my ass and
call you...in the meantime I'll sport my
brand new fashion of waking up with pants on at 4:00
in the afternoon.

You need him. I could be him...
I could be an accident but I'm still trying.
That's more than I can say for him.

Where is your boy tonight? I hope he is a gentleman.
Maybe he won't find out what I know: you were the last
good thing about this part of town.

(won't find out) he won't find out
(won't find out) he won't find out

Where is your boy tonight? I hope he is a gentleman.
Maybe he won't find out what I know: you were the last
good thing about this part of town.
