This might just be a waste of time  
there's no one I'd rather waste  
My time with than all my best friends  
So start the car up

We'll all take turns not for the worst  
We're all "hasbeens" and "never-were's"  
And we're all in the back singing "Roxanne"  
Just watching life pass us by  
Pass us by

As if we cared  
Enough to try to catch up  
Enough to make up for lost time  
Enough to make up for lost time, yeah

We've been down  
We've been out  
We've been hanging 'round  
Tip our glasses to no direction, yeah  
Start the van  
Get me out of this one horse town  
Waste this night

We've been down  
We've been out  
We've been hanging 'round  
Tip our glasses to no direction, yeah  
Start the van  
Get me out of this one horse town  
Waste this night  
Waste this night

We've been down  
We've been out  
We've been hanging 'round  
Tip our glasses to no direction, yeah  
Start the van  
Get me out of this one horse town  
Waste this night
