I've been so scared I just couldn't tell  
How I really felt  
But I'm sure it's right this time  
I'm just gonna need your help  
You see I'm just a little apprehensive  
Bout what your gonna say  
Could it be your too good for me  
Or maybe we'll fly away  
Maybe we'll fly away  
Will you go ahead and tell me what you feel  
So if you say no my heart can start to heal  
If I keep hanging on like this  
To a hope I never had  
I'll never get to talk about  
The things I need to ask  
Cause I'm scared you'll say yes  
I'm scared you'll say no  
I'm scared you'll stay forever  
And afraid that you'll go  
Tell me what your thinking  
Cause I just need to know  
Cause I'm scared you'll say yes  
And I'm scared you'll say no  
I don't want to wait on you  
But I don't want to move too fast  
Can we put the past behind us  
I know this is gonna last  
Buti'm scared you'll say yes  
I'm scared you'll say no  
I'm scared you'll stay forever  
And afraid that you'll go  
Tell me what your thinking  
Cause I just need to know  
Cause I'm scared you'll say yes  
And I'm scared you'll say no  
Will you go ahead and tell me what you feel  
So if you say no my heart can start to heal  
If I keep hanging on like this  
To a hope I never had  
I'll never get to talk about  
The things I need to ask  
Cause I'm scared you'll say yes

I'm scared you'll say no  
I'm scared you'll stay forever  
And afraid that you'll go  
Tell me what your thinking  
Cause I just need to know  
Cause I'm scared you'll say yes  
And I'm scared you'll say no
