You said you lovevd me but you lied
Now I can't love another guy
Till you release me from this prison
I've been living in
I think about you all the time
Can't stand to look him in the eyes
Cause I can't seem to love another guy
I'm ruined ruined
From everything you did
Ruined ruined
From all the things you hid
Ruined ruined
Drowning in the pain
Ruined ruined
Can't take another day
Ruined ruined from your love
Thought I was so over you
But I just can't seem to break through
Not living the dream, just living the lies
Cause I can't seem to love another guy
I'm ruined ruined
From everything you did
Ruined ruined
From all the things you hid
Ruined ruined
Drowning in the pain
Ruined ruined
Can't take another day
Ruined ruined from your love
And it's just so hard to imagine
A life without your love
And all the while I'm wondering why
I can't seem to love another guy
I'm ruined ruined
From everything you did
Ruined ruined
From all the things you hid
Ruined ruined
Drowning in the pain
Ruined ruined
Can't take another day
Ruined ruined from your love
