I've watched my back for so long, now I can't even see straight ahead. For so long, I lived inside their cage. I am easily defined by what they see. Evolution of man evolved into me. Silently I suffer on your digital TV. I live alone. Day in and day out. I live alone. I can make it stop! His world falls down with just two hands, the cycle ends for one man. I can understand why you decided to leave this sad world behind you. Close your eyes. You take a breath. You don't look back at us. They could never hear you before. But can they now? Say goodbye to a friend. I can no longer be part of what you consider to be
