"Brace"

Brace for impact
Focus on the left
Keep your cool
Slipping through hey okay
Survival in what it is
and what it was
and what it will be
Surviving this is what
I am to do
and what and will be

GO
Go run back to the center
Throw around your dumb advice
Pick up all the shards and
Realign yourself with everything

Hit the floor
Quietly and safe
Stop panicking
Start thinking 'bout your life
Subliminally fed
Telepathic feelings
Numb to all those visceral images
Identified with them

GO
Go run back to the center
Throw around your dumb advice
Pick up all the shards and
Realign yourself with everything

REALIZE WHO YOU ARE
Realign yourself with everything
REALIZE
Realign yourself with everything

GO
Go run back to the center
Throw around your dumb advice
Pick up all the shards and

Realign yourself with everything

REALIZE WHO YOU ARE

Realign yourself with everything

REALIZE

Realign yourself with everything

REALIZE WHO YOU ARE

Realign yourself with everything

REALIZE
