

Fallbrooke "The Best Thing"

Visit "[The Best Thing](#)" on MotoLyrics.com

I want it, I need it, I have it.
Then I go and leave, I ditch it, I trash it
And I know why I miss it the moment I do it
It's a self fulfilling promise I made to just destroy it.
Or anything that could be understood as good for me.
I guess if you called me pathetic then I'd have to agree.

Oh Oh Oh I just keep throwing
Oh Oh Oh I just keep throwing
Oh Oh Oh I just keep throwing away
The best thing that happened to me.

Oh Oh Oh I just keep throwing
Oh Oh Oh I just keep throwing
I try so hard but I just can't throwing away
The best thing that happened to me.

I woke up this morning. I saw that you had called me
but the girl that I slept with is still fuckin snoring. Wish
I'd better sense of knowing who I hurt, I know I'm
pushing all your buttons while I lift up her skirt.

Oh Oh Oh I just keep throwing
Oh Oh Oh I just keep throwing
Oh Oh Oh I just keep throwing away
The best thing that happened to me.

Oh Oh Oh I just keep throwing
Oh Oh Oh I just keep throwing
I try so hard but I just keep throwing away
The best thing that happened to me.

Just when you leave me... That's when it hits me. It was
all my fault. No I can't defend. It's too late now, here I
go again.

Oh Oh Oh I just keep throwing
Oh Oh Oh I just keep throwing
Oh Oh Oh I just keep throwing away
The best thing that happened to me.

Oh Oh Oh I just keep throwing

Oh Oh Oh I just keep throwing
I try so hard but I just keep throwing away
The best thing that happened to me.

I want it, I fucked it up
I want it, but I still fuck it up
I want you, I fucked you
I want you, I fucked you
