[verse 1] Its cold, its dark
Im sad, im mad
I wanna scream, I wanna cry

Its a dark room, and im all alone
Up in the sky, the sun hasnt shown
[chorus] Every cloud has a silver lining
I'll keep on searching til its in sight
Into the dark
somewhere to seek inside my heart
nothing can define the part
into the dark

[verse 2] Icant stop at nothing
Got to go, somewhere worth trusting
Into the town, nothings around
I dont want to go home
I just want to go
Alone

[chorus]

I cant control this path
But im in its dark path
No turning back
turning back

[chorus]

(these r no artist u know, this is a band me n my friends
