Awake to this nightmare  
Blind Leading the Blind  
Grab wings of despair  
Downfall of mankind

To cast our shadows  
Worlds will collide  
Days of reckoning  
Death is sublime

Murdering race  
Nations disgrace  
Find new faith  
Find new hate  
Spill the blood  
Start the fight  
War is born  
Forever Mourn

Fallen state of mind  
Now fade away  
Can't kill myself  
Gain through dismay  
Feed the death cult  
Rape and pillage  
Bloodsoaked and torn  
Killing the unborn

Murdering race  
Nations disgrace  
Find new faith  
Find new hate  
Spill the blood  
Start the fight  
War is born  
Forever Mourn

The death of man is inequity  
Lifeless soulless, pain, suffer...  
The fall of mankind

Find new faith

Find new hate  
Find new faith  
Find new hate
