A mans soul divided into two  
World left in ruins  
Black and white dimensions

Running from reflections  
Questions with no answers  
Uncontrolled mind  
Chaos runs wild  
Drawn closer to death  
Eulogy imprinted on dead hearts

Burning into ashes

Fear the cause of failure  
Weakness suffocates the will  
Dare to be led by fools  
In the plagued maze

Burning into ashes

Scars build on scars  
In this cursed life  
All of my  
Scars build on scars  
In this cursed life

Dumbfounded by fake smiles  
I'm bleeding the truth  
Unrelenting pain  
World of misery  
Drawn closer to hell  
Terrified of what remains

Scars build on scars  
In this cursed life  
All of my  
Shattered dreams  
Fall upon  
Silent screams  
Left upon  
Useless beings  
What is this we are seeing?
