

Falling For Alba "Car Wreck"

Give me something to live for,
Iâ€™m slowly fading out.
I never thought it would be so complicated.
I never thought Iâ€™d fall.
Yeah.

We sink so deep sometimes, yeah.
And Iâ€™ll close my eyes, put my hands to my side
and push the pedal to the floor.
Going to scream tonight, put my head down and cry.

Iâ€™m giving up this time.

Is it over yet and have I
left this life?
I never said goodbye.
And Iâ€™ll close my eyes, put my hands to my side
and push the pedal to the floor.
I screamed, I cried.

And Iâ€™ll close my eyes tonight, tonight.
So sorry I never said goodbye, goodbye.
