

## Falling In Reverse

### "Amore"

On the island of my dreams  
Where there's only you and me  
Playin' games for lovers only  
On and on a thousand times or more

When the day comes to an end  
And that feelin' comes again  
I'd love to cherish every moment  
All those summer nights I've spent with you

Play for me and let me dream forever  
Dance with me surrender to the night

Yes tonight we're gonna sing "Amore"  
Hear this melody, a song of love  
Hold me in your arms, that's really love, that's amore  
Kiss me with your charms, that's really love, that's amore

Hold me in your arms, that's really love, that's amore  
Kiss me with your charms, that's really love, that's amore

When the day comes to an end  
And that feelin' comes again  
(And that feelin' comes again)  
Playin' games for lovers only  
On and on a thousand times or more

Play for me and let me dream forever  
Dance with me surrender to the night

Yes tonight we're gonna sing "Amore"  
Hear this melody, a song of love  
Hold me in your arms, that's really love, that's amore  
Kiss me with your charms, that's really love, that's amore

Yes tonight we're gonna sing "Amore"  
Hear this melody, a song of love  
Hold me in your arms, that's really love, that's amore

Kiss me with your charms, that's really love, that's  
amore
