I met a girl and I really thought she liked me  
I truly thought that I had met the one  
It was a fail, To know a fail  
I'm just another victim of the Bad Girls Club

Just like a witch because her spell is hypnotizing  
She made me drink a potion just to fall in love  
She got me drunk and tipsy off her love  
I'm just another victim of the Bad Girls Club

Hey (x4)

She's always blowing up my phone  
I really wish that she'd leave me alone  
I gotta change my number  
Hard for me to slumber  
When she's outside my home

She called the cops and made it seem like I was mean  
She's not your average lady, She is fucking crazy  
Spelled C U N T

And after all  
The rise and fall  
You're not worth my time

I'm c-c-calling it quits  
Right now, This time  
She's playing games  
And all we do, Is fight  
It's getting late so,  
Ollie, Ollie, Ollie Oxenfree  
All the Bad Girls Club's here with me  
And off the track, You got me on the rug  
I'm just another victim of the Bad Girls Club

Hey (x4)

I'm always paranoid  
That she's somehow watching me  
Follows me on Twitter

Asking if I miss her  
Hashtag set me free

She Google's my name  
Just to keep the facts on me  
She's not your average lady, She is fucking crazy  
Someone help me please

And after all  
The rise and fall  
You're not worth my time

I'm c-c-calling it quits  
Right now, This time  
She's playing games  
And all we do, Is fight  
It's getting late so,  
Ollie, Ollie, Ollie Oxenfree  
All the Bad Girls Club's here with me  
And off the track, You got me on the rug  
I'm just another victim of the Bad Girls Club

(Ronnie)  
All right, All right, All right  
Settle down, Settle down  
I need all my bad girls in the house tonight to help me  
do a cheer  
It goes: 1, 2, 3, 4!

(Bad Girls)  
Hey sexy boy I got you wrapped around my finger  
L O V E Really doesn't mean much

(Ronnie)  
You're always like a drug  
But it is not enough

(Bad Girls)  
Give me a P A T  
Were the Bad Girls Club!  
Hey sexy boy I got you wrapped around my finger  
L O V E Really doesn't mean much

(Ronnie)  
You're always like a drug  
But it is not enough

(Bad Girls)  
Give me a P A T  
Were the Bad Girls Club! Yay!

I'm c-c-calling it quits  
Right now, This time  
She's playing games  
And all we do, Is fight  
It's getting late so,  
Ollie, Ollie, Ollie Oxenfree  
All the Bad Girls Club's here with me  
And off the track, You got me on the rug  
I'm just another victim of the Bad Girls Club

Hey (x4)

Just another victim of the Bad Girls Club (x2)
