[Chorus]

It's 9 o'clock on the dot, at the spot
And I'm hanging with her friends again
Great taste, beautiful place
And you're fashionably late, hey!
And I don't wanna be that guy
That makes you sad, makes you cry again
Without a doubt, sorry about making out with your friends
Go!

I love the way that this began
Started off right, so innocent
I'm letting you know, I'm letting you go
I want your best friend
I'm giving it up
And asking why you seem so shocked and so surprised
I'm sorry it hurts, I'm surely a jerk
I understand why you're mad

[Bridge]

Don't talk that crap when you call me back
As a mother of fact, don't act like that
Everybody knows you're right
Everybody knows i'm wrong, wrong!

[Chorus]

It's got nothing to do with how you look
Just another excuse to write a hook
I'm letting you know
She liked post up on my Facebook
And after all you're not my type
But all your friends are pretty nice
You know what I mean, stop making a scene
And take some words of advice

[Bridge]

[Chorus]

And I've got the topic conversation now
And I know I'm running out of time. Yeah!
It's not an honest demonstration now
You're not the only one
Not the only one

[Bridge]

Don't talk that crap when you call me back
As a mother of fact, don't act like that
Everybody knows you're right
Everybody sing along. Ah!

And I don't wanna be that guy
That makes you sad, makes you cry again
Without a doubt, sorry about fucking al your friends!
(What?!)

[Chorus]

Making out with your friends (x2)
Without a doubt, sorry about having sex with all your friends
