What if the devil was a lie?  
What if God did not exist?  
So, with all due respect  
Tell me, what is death?  
If life is just a bitch

I see the evil in their eyes  
I hear the lies behind their breath  
They wander in the dark  
They do not have a heart  
Don't let them take it away

Brace for impact!

You will pay the price  
For betraying me  
You will pay the price  
You will pay the price  
For betraying me  
You will pay the price

So save yourself!  
Cause the tide is rising high

It's sink or swim  
It's hit or miss  
What will you pick?  
So take some action  
Don't let the undertow grab hold

It's sink or swim  
It's hit or miss  
Man overboard!  
Man overboard!

Do you believe in ghosts?  
Conducting from the grave  
We are nothing but pawns  
We move to where they want  
Cause life is just a game

I wrapped my hands around your throat

With a smile on my face  
Squeeze until you choke  
I will not let go till I feel no pulse

You will pay the price  
For betraying me  
You will pay the price  
For betraying me

So save yourself  
Cause the tide is rising high

It's sink or swim  
It's hit or miss  
What will you pick?  
So take some action  
Don't let the undertow grab hold

It's sink or swim  
It's hit or miss  
Man overboard!  
Man overboard!

I bid farewell,  
To you fairweather friend  
I know someday you'll get what you deserve (you  
deserve)  
And after all,  
The bridges you have burned  
I forgive you for the things you have done!

I bid farewell,  
To you, fairweather friend  
I know someday you'll get what you deserve (you  
deserve)  
And after all, (And after all)  
The bridges you have burned  
I forgive you for the things you have done! (You have  
done)

So save yourself  
Cause the tide is rising high

It's sink or swim  
It's hit or miss  
What will you pick?  
So take some action  
Don't let the undertow grab hold

It's sink or swim  
It's hit or miss

Man overboard!  
Man overboard!

So save yourself  
Cause the tide is rising high

It's sink or swim  
It's hit or miss  
What will you pick?  
So take some action  
Don't let the undertow grab hold

It's sink or swim  
It's hit or miss  
Man overboard!  
Man overboard!

Man overboard!  
Man overboard!  
It's sink or swim  
It's hit or miss  
What will you pick?  
Man overboard!  
Man overboard!  
It's sink or swim  
It's hit or miss  
What will you pick?  
Man overboard!
