Look into these eyes  
They'll be the last thing that you see  
Before I slit your throat  
For what you did to me  
You broke my god damned heart  
And you left it on the floor  
You let me down and this is no  
Different than before  
Why can't you give me anything?  
Not anything at all?  
I never asked for too much  
Before you pushed me too far

Close your eyes and hold your breath  
I'll push from this ledge  
You'll fall to the ocean like a brick of lead  
You'll fall to the bottom  
And sink to your death  
As you think of me as you lay to rest

Close your eyes and hold your breath  
I'll push from this ledge  
You'll fall to the ocean like a brick of lead  
You'll fall to the bottom  
And sink to your death  
As you think of me as you lay to rest  
You're over you're gone you're all alone  
You wish you could take back  
All those things you've done

One last broken heart  
That is all you will get  
Before I bury you  
And souvenir your head  
I'll place it on the shelf  
Right near my front window  
Where it stares into the street  
In anguish and defeat
