You've got your boy, I've got my gun
We'll see how long this game goes on.
I've got my toy, you've had your fun
And now your time has come
And lifeless like the sun tonight
I'll fade away, fluorescent lights
Will burn a hole right through you gut
It's time to say goodbye...

And you've gone away,
Let's save this day,
And I won't cry,
This time I'm serious,
This time I'm letting go

And I bought this rose for you,
So go burn it to the ground
Let the ashes fill your lungs
Kill you from the inside out

Cause I know that you're with him
So I'm just gonna give in,
Cause I can't take this abuse
And I'm longing for this noose...

And you've gone away,
Let's save this day,
And I won't cry,
This time I'm serious,
This time I'm letting go

You've gone away
Let's save this day
And I won't cry
I'm letting go

You've gone away
Let's save this day
And I won't cry
(This time I'm serious)
I'm letting go of you
(This time I'm letting go)
