Feeling weak in my knees  
The air is getting thin  
I'm falling towards this abyss  
And my lungs are giving in  
Please hold me up  
I'm not ready to free fall  
I'm holding in my breath  
About to lose it all  
And the ground beneath my unbraced feet is wearing  
away  
I'm falling toward the shadows

Please wake me up  
I'm not ready to free fall  
I'm holding on as tight  
As I possibly can  
Losing my grip  
This ledge that I hang from  
Is wearing away  
And soon I'll be gone

And I'll hang on forever  
Reaching for the sky  
Raining down on me  
Just as long as the wear beneath my fingertips  
Just goes away

Please pick me back up,  
I'm down on my knees,  
Begging you please,  
I need your help more than anything right now

Please pick me back up,  
I am down on my knees,  
Begging you please,  
I need your help more than anything right now

Please wake me up  
I'm not ready to free fall  
I'm holding on as tight  
As I possibly can  
Losing my grip

This ledge that I hang from  
Is wearing away  
And soon I'll be gone

Please wake me up  
I'm not ready to free fall  
I'm holding on as tight  
As I possibly can  
Losing my grip  
This ledge that I hang from  
Is wearing away
