This white blows, so softly
The movement still is in my mind
This flag from in Reedsport
Will start to catch beneath the wind
Catch beneath the wind

It's only in your dreams
It's only in your dreams
So exit the fall, and now it's over
It's only in your dreams

This flight comes, it's nameless
The dark is calling out my name
Escape with, no traces
The movement burns inside my veins
Burns inside my veins

It's only in your dreams
It's only in your dreams
So exit the fall, and now it's over
It's only in your dreams

By now this tide is here
I thought I made it clear
This is the threat
This is the fall

Dreams
It's only in your dreams
So exit the fall, and now it's over
It's only in your dreams

And now it's over
